New Thorsby and Warburg Nurse Practitioner team in place and accepting new patients.

After opening a third Nurse Practitioner-Led Clinic in Leduc, and the Thorsby and Warburg Nurse Practitioner (NP), Michelle Williams, relocating her practice to this new location, the Leduc Beaumont Devon Primary Care Network (LBDPCN) is pleased to announce the successful recruitment of a new NP to these communities.

Marco Buenafe, NP, began working at the Thorsby and Warburg Nurse Practitioner-Led Clinics in September. Marco took a few weeks to settle in and is now **accepting new patients who live in Leduc County and do not have a primary care provider.**

The clinics also have a new clinical administrator. Jaclyn Falkenberg will support Marco and his patients at both clinics. Jaclyn previously worked at a medical clinic in Devon and brings a wealth of office medical assistant and specialty clinic knowledge, and a friendly and approachable attitude.

Please note a change in clinic days to increase availability in Warburg.

Warburg clinic hours:

Mondays & Wednesdays – 8:00 a.m. - 4:00 p.m.

Thorsby clinic hours:

Tuesdays & Thursdays – 8:00 a.m. – 4:00 p.m.

Both clinics are closed from 12:00 p.m. to 1:00 p.m. for lunch and are closed on all statutory holidays.

To make an appointment to see Marco at either clinic, please call 825-320-3000.
By appointment only, walk-ins cannot be accommodated.

NP services in these communities have been made possible through the [Primary Care Network Nurse Practitioner Support Program](#). We also thank the communities and councils of Thorsby, Warburg, AHS and Leduc County for providing infrastructure and supportive funding; this is an invaluable joint initiative enhancing the health of our communities. We look forward to continued partnerships.
