Financial Resources for Adults Living with Disabilities

Join us to learn about the financial resources available to adults with disabilities, including, but not limited to, Income Support, Assured Income for the Severely Handicapped (AISH), Persons with Developmental Disabilities (PDD), Disability Tax Credit, and Registered Disability Savings Plan (RDSP). This session is recommended for the parents and caregivers of youth ages 15 and older.

Guardianship, Trusteeship and Medical Consent

This presentation will discuss the spectrum of legal decision-making options in Alberta following the Adult Guardianship and Trusteeship Act (AGTA). We will cover consent for minors vs. consent for adults, various ways to support your child's personal and financial decision-making and respecting your child's right to self-determination.

Recreation and Community Connections for People with Complex Needs

This presentation created by our Recreation and Occupational Therapists will discuss recreation and leisure at home and in the community for people with complex needs.

Well On Your Way to Adult Healthcare: For Dependent Youth

Join us to discuss various tools to help you navigate the journey from the pediatric to adult healthcare system. We will discuss how to access equipment, find a doctor, foster your child's active involvement in their healthcare, and what documentation may be needed to apply for programs once your child turns 18.
